**Request for DBE sub-quotes**

Kiewit Infrastructure West Co. ("Kiewit") is seeking quotes from qualified Disadvantaged Business Enterprises (DBE) to perform as subcontractors, material contractors, and suppliers. DBEs must provide evidence of certification by the U.S. Department of Transportation (DOT).

Kiewit will be requesting quotes for various areas of work listed in, but not limited to, the scopes of work below.

Environmental consultant engineer, land surveying, dumpster and trash services, site security, traffic control/MOT, aggregate, abatement, trucking and hauling, water trucks, material landfill for dirt disposal and concrete rubble disposal, SWPPP, street sweeping, equipment, hoists and crane, scaffolding and electrical work.

Firms interested in receiving a bid package for this project must contact us at the e-mail address noted. Responding firms will be issued an "invitation to bid" through Kiewit's electronic use of the Building Connected system (at no cost to bidder) with project information and bid instructions. Plans and specifications are also available for review at the address listed below if requested.

This project is subject to Davis-Bacon and Prevailing Wage Rates and Project Labor Agreement. The project is also partially funded by the Transportation Corridor Enhancement Program (TCEP) and is subject to federal funding requirements including, but not limited to the Buy America Provisions, DBE Program requirements, California Labor Code and the Davis-Bacon Act.

Responsive bidders must possess a valid California Contractor's license (as appropriate) and provide acceptable insurance. Responsible subcontractors and material contractors will be required to provide bonding for 100% of their contract value. Kiewit will reimburse bond premiums. Firms performing any onsite work is signatory to collective bargaining agreements with the carpenters, laborers, cement masons, ironworkers, operating engineers and teamsters. Kiewit will consider quotes from any, and all bidders who demonstrate an ability to foster and maintain labor harmony on the Project.

In order to be utilized towards meeting the DBE goal, the firms utilized as DBE Subcontractors, Subconsultants, Suppliers, or service providers are required to be certified as DBE's by the California Unified Certification Program (CUCP) - <https://dot.ca.gov/programs/civil-rghs/dbe>

Kiewit intends to conduct itself in good faith with all DBEs regarding participation on this project. For further information regarding this project, licensing, insurance or bonding, equipment, supplies, materials, or related assistance or services or project schedule, please contact the Lead Estimator listed below.
