

Caltrans District 11's Small Business Team is Hosting a

WORKSHOP

How to do Business with Caltrans District 11

This workshop will provide an overview of how to do business with Caltrans. Topics will include how to locate major and minor construction contracting opportunities as well as Architectural and Engineering opportunities, which certifications Caltrans recognizes, and how to network with prime contractors. In addition, the workshop will cover how to sell goods and services to Caltrans and other state agencies. In order to give participants a more specialized and personal experience, space has been limited during each session, however, workshops will be available on a monthly basis for the remainder of the year.
